

Find us

On arrival at the hospital take the first turning towards Sandlewood House.

The Greenway Sexual Health Centre is in Sandlewood House (see map).

What happens when I arrive?

- Please check-in with reception on the ground floor at the Greenway Centre and say you have an appointment with Open Doors.
- If it is your first visit you will be asked to fill in a form with your name, date of birth and contact details of your choice.
- We do not require GP contact details.
- We will not share your information with anyone else.
- You will be asked to take a seat on the ground floor until you are called for your appointment.
- We aim to see you as close as possible to your arrival time. If you are having a full sexual health check up and contraception please allow one to two hours for your visit.
