Are you being paid for sex?

There is a free and confidential service for
people working in the sex industry in this clinic.

We provide:

- Sexual health testing and treatment
- Contraception
- Emergency contraception
- Pregnancy testing
- HIV testing
- Hepatitis B vaccinations
- Cervical screening
- Free condoms, lubricant, dams, sponges and finger cots
- Referral to support services, including counselling
- Ugly Mugs information.

We offer a translation service by telephone in your language.
